**The 1970s Liverpool High School Audio Project**  
**Gary Gocek, LHS '76 – gary@gocek.org – www.gocek.org**

I have been collecting audio recordings of LHS events from the 1970s and transferring them to audio compact disks. The original recordings are on vinyl albums and cassettes. The audio quality is usually quite acceptable, and there are a few fantastic recordings of key events.

I have acquired a wide range of '70s material with the help of several families: Murphy, Robson, Sugar, Mevec, McInerney (Verelley), McGee (Wemesfelder), Spadafore. Ultimately, I expect to offer about 75 hours of audio. I am establishing a process for accepting blank CDs and shipping materials in return for audio CDs, and there will otherwise be no charge.
